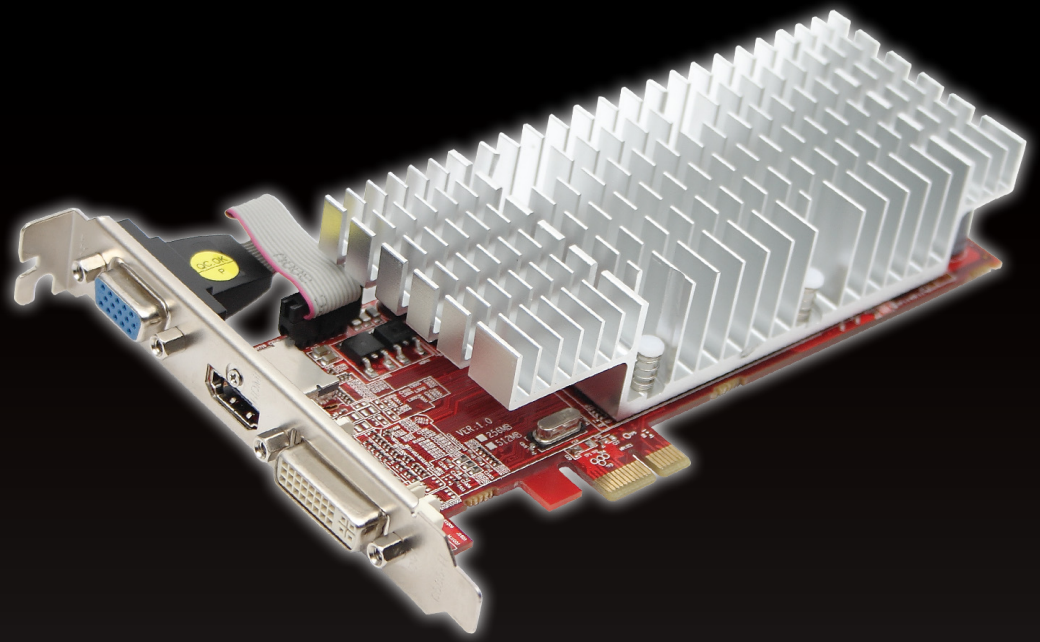
Club 3D

Club 3D HD4350 PCI Express x1 graphics card is based on ATI™ RV710 graphics processing unit and the latest PCI Express bus interface technology. With all the latest features, the Club 3D HD4350 graphics card delivers the performance you need to take your high-definition experience to the next level at home, work and play. Use the native HDMI connector for a single cable connection between your home cinema system and your graphics card. Do it all with a noiseless passive cooling system and break-through efficiency that doesn't compromise performance.



*Card size: 167*57*32 mm*

HD4350
